**Patient Certification:** I certify that, as of the date of my signature, the information provided on this form is complete and accurate to the best of my knowledge and that all of the insurance plans and programs through which I obtain health care coverage are listed above or have been provided separately to myBeOne Support. I further certify that I am not insured for (or am rendered uninsured through the payer denial of) TEVIMBRA® (tislelizumab-jsgf) (the "Product") and that I am a legal resident of the United States. I will be ineligible to participate in the Program unless I provide proof of income within 30 days after this form is submitted. I also understand that: (1) myBeOne Support may request documentation from me, my employer, my health care provider, or my insurance company to verify my financial or insurance information; (2) completion of this form and the provision of requested documentation does not guarantee that I will be approved to participate in the Program; (3) any free Product provided to me through the Program is contingent upon my meeting myBeOne Support's eligibility criteria; (4) if I am eligible to participate in the Program, there is no purchase requirement associated with such assistance; and (5) myBeOne Support reserves the right to make an independent determination of my financial need. BeOne Medicines reserves the right at any time, and without notice, to modify or discontinue myBeOne Support and any assistance provided to me. I will not submit or cause to be submitted any claims for payment or reimbursement from any third-party payer, including any federal health care program such as Medicare or Medicaid, or any private or other insurance plan, or from any other person or entity for a free supply of the Product supplied under this Program, regardless of whether a payer subsequently determines that it will cover such supply of TEVIMBRA®. I will not sell, trade, or distribute or otherwise transfer the Product supplied under the Program. The cost of the Product provided under the Program will not count toward any Medicare true out-of-pocket ("TrOOP") costs. I agree to notify myBeOne Support if: (1) I obtain coverage through another source (federal, state, or private program), (2) I no longer meet the income criteria for the Program, or (3) I find any errors in this application form. If I am approved, as required by my insurance or other benefit provider, I will notify such provider of my receipt of any free Product received through the Program. I understand that I must re-apply for the Program annually and there is no guarantee I will qualify at this time or in future periods.
